Manual cifs mounting:

Especially useful for the mounting of ibays of the SME

```
sudo mount -t cifs //IP.of.the.SME/ibay /path/to/the/moint-point -o  
user=SME-user,sec=ntlm,password=pass-of-the-SME-user,vers=1.0
```

Mounting over SSHFS

```
$ sshfs root@192.168.2.107:/ /mnt/sme_107/
```
